April Students of the Month

Children who are eligible for immunizations may be immunized in the school setting with parent/guardian consent. Please check your child's school bag for a package which contains information about the vaccines, along with a consent form for each vaccine. For your child to be immunized in school, consent must be provided to AHS staff verbally or each consent form must be signed and returned to your child's school by the date indicated on the envelope.

For tips on preparing your child for immunizations, please refer to

<https://www.immunize.ca/pain-management-kids-and-adolescents>

If there is a signed consent from a previous year and your child has an incomplete immunization series, Alberta Health Services may provide these immunizations.

The immunization round date at Thorsby Elementary is May 6, 2026.

*If your child is not present on the round date they may receive immunizations on other dates throughout the school year.

****If you are new to Alberta OR if your child has been immunized at your doctor's*

office or pharmacy, AHS Public Health may not have a record of your child's immunizations. To ensure your child is up to date with all recommended immunizations refer to the schedule at <https://www.alberta.ca/immunization-routine-schedule.aspx>

To provide an up-to-date immunization record or if you have any questions, you may contact the nurse assigned to your child's school at 780-980-5026

AGES AND STAGES DEVELOPMENTAL CHECK IN

Online

Have you ever wondered about your child's development? The Ages and Stages Questionnaire provides a fast and helpful look at how your child is doing in important areas like communication, social skills, motor skills and problem solving skills. Screening can identify your child's strengths, uncover new milestones to celebrate and reveal any areas where your child may need support. It helps you understand your child's development and know what to look for next.

The ASQ and ASQ:SE questionnaires are designed to help you monitor your child's development at regular intervals from 2 months to 5 years of age. To access these questionnaires, go to our website below.

Black Gold Early Intervention Pre-Kindergarten

Our Early Intervention Pre-Kindergarten program intake is now open!

Do you have a preschooler who faces challenges like...

- following directions
- communication issues
- anxiety
- developmental delays

If yes - then early intervention is crucial.

Don't wait for things to get harder—take action now to give your child the best start to their education career. Invest their future success by applying for a screening to find out if your child can qualify for our Early Intervention Pre-Kindergarten (EI-PreK) program!

Space is limited, sign up today!
